

The Feiertag Financial Group

Honesty. Integrity. Knowledge.

Mark Luschini
Chief Investment Officer

Mark Luschini is responsible for directing Parker/Hunter Asset Management's (PHAM) investment management services and also serves as the Chief Investment Strategist for Janney Montgomery Scott LLC.

Under his leadership, Parker/Hunter Asset Management's assets under management reflect a total of \$946 million, of which \$725 million is held under PHAM Traditional, and \$221 million is held in ETF Advantage as of September 2008.

He chairs the Investment Committee and partakes in setting asset allocation, sector weights and international diversity. He also helps to manage the Parker/Hunter Asset Management's equity, fixed income and long/short hedge equity strategies.

Mr. Luschini has spent more than twenty years in the investment industry interfacing with both current and prospective clients. He utilizes that experience to speak on topics related to investment planning and asset management at seminars and conferences. His comments and written articles have appeared in numerous publications. He is a Trustee for Janney Montgomery Scott's Pension & Profit Sharing Plan.
